Internship

Web Developer Intern – Technosters Technologies Pvt. Ltd., Agra	Dec 2022 – June 2023
• Contributed to responsive web applications using the MERN stack. • Designed dynamic content features for travel websites, increasing usability and interaction. • Collaborated with cross-functional teams to deliver 4+ projects within deadlines. • Gained hands-on experience in RESTful API integration, database management, and deployment.	

Projects

Tour & Travel Website (MERN Stack)	Feb 2025 – May 2025
• Developed a full-featured travel booking platform with real-time package availability. • Implemented secure login, profile management, and integrated Razorpay for seamless payments. • Boosted user engagement through personalized dashboards and interactive UI features.	
Medicare WebApp (Full-Stack)	March 2024 – June 2024
• Built a healthcare application with an AI-powered chatbot for instant medical support. • Enabled real-time order tracking and ensured secure data handling per healthcare data norms. • Focused on an accessible and clean interface, tailored for a diverse user base	

Certificates

• Responsive Web Design – FreeCodeCamp	June 2025
• C++ Programming – Neo Colab	November 2024
